ABOUT THE SUPER F LEAGUE

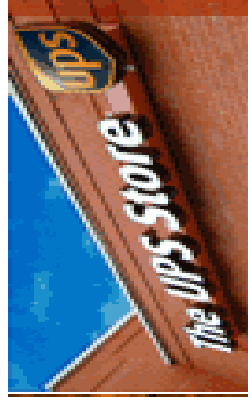

www.superfleague.com

The Super F League is an organization whose mission is to develop and expand the game of futsal in the United States. Futsal is FIFA's official indoor soccer game, which is, essentially, a scaled down version of outdoor soccer played indoors. This is the game that outdoor soccer players around the globe play when they are indoors to refine and maintain their control skills and touch. Because the sport is a great skill developer, demanding quick reflexes, fast thinking, pinpoint passing, and a four second limit on all play restarts it is an exciting game for children as well as adults.
