

Lake Country Soccer will hold an OPEN FORUM on Tuesday March 25th.

The open forum is an opportunity for members of Lake Country Soccer to gather together to discuss where we are as an organization currently and to begin preparations for where we would like to go 5-10-15-20 years in the future.

It is an open opportunity to discuss freely, the thoughts, feelings and opinions of Lake Country Soccer, its facilities, staff, current and future goals and objectives for its programs, activities and events.

This is one of two OPEN FORUM sessions we will conduct this year 2008. Any person associated with a Lake Country Soccer program, activity or event is welcomed to attend.

Seating is limited due to space constraints.

The OPEN FORUM will begin promptly at 6:00pm and shall conclude by 8:00pm. Please bring your ideas, thoughts, feelings and opinions for an open discussion.

The OPEN FORUM will be held in the retail glass area of the main level of the indoor soccer facility.

Questions regarding this event shall be directed by email to the immediate attention of Kelly Ross; kelly@lakecountrysoccer.org
