Dear Soccer Player;

Do you want to play college soccer? Are you in high school or entering high school in 2010? Would you like to experience what college pre-season is really like? **Well, now is your chance!** Southwest Baptist University, one of the premier NCAA Division II Programs in the Midwest, will be hosting its annual **Prospects Camp**. This is a great place to experience college soccer and to find out what you need to do in order to play in college. Here is what you will get:

The camp takes place for 4 days and 3 nights on the campus of Southwest Baptist University in beautiful Bolivar, Missouri. The camp will be run like a typical college pre-season program. You will be placed in college training sessions, have classroom sessions designed to teach you tactics and systems of play, will be introduced to the NCAA Clearinghouse Eligibility Program, will learn about the recruiting process and will compete on a daily basis against other players wanting to play in college. The best part is that the entire camp is run by college coaches who will be looking at you for the future! The staff will include the following coaches (based upon availability):

- **Robert Podeyn** (Head Women's Soccer Coach- Southwest Baptist University)- Coach Podeyn is one of the most decorated coaches in the country holding coaching licenses from the USA, England, Brazil and Holland. He holds a USSF National 'A' License, an NSCAA National Youth Diploma, an NSCAA National Goalkeeping Diploma, a UEFA Coaching License, an English Football Association Preliminary Badge, a Brazilian Coaching License, and a Dutch Advanced Tactics Diploma.
- **Dean Grey** (Assistant Women's Soccer Coach- Southwest Baptist University)- Coach Grey holds a USSF National 'D' License and an English Football Association Preliminary Badge. He has played semi-professional soccer in England, and has coached youth to amateur for the last 5 years.
- **Jason Massie** (Assistant Women's Soccer Coach- Southwest Baptist University)- Coach Massie is a former Under 17 National Team Player from England having come through the highly regarded Liverpool system. He also holds his USSF National 'D' Coaching License and English Football Association Preliminary Badge. He still plays professional soccer in the USL Second Division for the Harrisburg City Islanders.
- **Marcia Oliveira** (Head Women's Soccer Coach- University of South Dakota)- a Former professional coach for the Brazilian National Teams, Marcia has coached NCAA Division I for the last 12 years in the United States. She still serves as an Ambassador to the Brazilian Football Federation coordinating with various dignitaries in US Soccer. She holds a USSF National 'A' Coaching License and a Brazilian Professional Coaching License.

The price of this camp has been set low because we are not interested in using this as a moneymaker. All campers receive an SBU Soccer T-Shirt and food and lodging for the four days. A certified trainer will be in attendance to meet any medical needs or training needs. We will, however, be restricting the numbers to the first 72 registrants who complete the form and return it with payment. In the past this camp has filled up by June 1st. Don't be caught on the outside of this fantastic experience! This is not a summer soccer camp. This **IS** a **PROSPECTS CAMP!** We hope to see you this summer at SBU.

Sincerely,

Robert Podeyn

College Prospects Camp

Residential Camps - Full Day (Ages 14-18) \$199
 - Southwest Baptist University - Bolivar, MO. (August 4-7, 2010)

Players will be put through college level training sessions by the coaching staff at Southwest Baptist University. Players will experience the following:

Technical Training— Our coaches are professionals who have a strong European influence. Training is very focused and very intense and focuses on the training methods used in Holland by professional clubs such as AFC Ajax and Vitesse Arnhem of their top professional league.

Tactical Training- Every drill, every exercise and every session focuses on how we play at Southwest Baptist University. We work towards developing our team to be very attack-minded and possession oriented.

We want to possess the ball in our opponents half and we want to create 20-25 shots every game. We focus on developing an attacking mentality in all of our players.

Physiological Training- Being fit is critical, especially at the college level. You will experience how much faster you must play and how much fitter you need to be to compete at the college level. If you are competitive and love the game, then you will love your experience at this camp.

Recruiting- SBU is a competitive NCAA Division II Program that plays in the toughest rated Division II Conference in the country. This camp is designed to expose players to the college soccer atmosphere, but it is also a way for SBU to identify and attract interested student-athletes. We hope to see you at our camp in 2010.
